

SHELDON COMMUNITY CHURCH

We are really excited to gather in-person again from Sunday 25th July 2021.

Your health, wellbeing and safety are of paramount importance to us. Please be assured that we are working hard to ensure our in-person gatherings are Covid safe.

What we have done:

- We have carried out a Covid-19 risk assessment
- We have taken all reasonable steps to help everyone stay safe and provide peace of mind
- We have hand cleansing, cleaning and hygiene procedures in place, in line with government guidance

What we expect you to do:

- Take responsibility for your own safety and that of your household and other people by observing all hygiene measures
- Refrain from entering if you are feeling unwell or have experienced any Covid-19 symptoms in the past seven days
- Ensure children are supervised at all times

If you have a specific question for SCC, please contact us at info@sheldoncc.co.uk and we will get back to you.

We can't wait to see you!
