HEROES OF THE BIBLE

Our first topic this year was learning about different heroes in the Bible. The children learnt that we can be everyday heroes by doing small acts of kindness. We also had a Superhero party at Easter to celebrate Jesus being the Saviour of the world.

FRUIT OF THE SPIRIT

During the Summer term the children learnt all 9 fruit of the Spirit from the Bible off by heart.

The fruit are Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness and Self Control.

They were encouraged to grow these fruit in their lives. They also did some great colouring to help them learn.

AN ACTION PACKED YEAR!

It's been a really fun filled year at Jam kids club. We have seen JAM grow in numbers from about 20 children to over 35 children regularly attending each week.

We have learnt new songs, 2 new rumbles, new games, had a superhero party, new stories, entered a colouring competition and even recorded a video of the Lord's prayer. We also held a community BBQ to raise money for the children to attend The Ultimate Kids Camp in the Summer.

ULTIMATE KIDS CAMP 2017

During the school Summer holiday we took 19 children from JAM kids club to the Ultimate Kids Camp at Westonbirt School in the Cotswolds. They swam every day, did arts & crafts, inflatables, team games and made some amazing memories!

CHRISTMAS NEON GLOW PARTY

To finish off the year we are looking forward to our JAM Christmas party. As usual there will be lots of games, dancing and even a visit from the very busy Father Christmas. Many thanks to everyone who makes JAM happen every week and we wish all our JAM families a super blessed Christmas and an Amazing 2018!
